## Expansion of service in the Life care business

Shinoken Wellness is the management company of the life care business of Shinoken Group. Its subsidiary, Apple care Co., Ltd. has newly opened "AppLife Kashiihama," and another subsidiary, Luminous Co., Ltd. has added an additional class to its after-school care service "Kids Life Higashi Fukuoka."

Shinoken Group promotes sustainability management with the aim of creating a society that coexists with a diverse range of people, including seniors, people with disabilities, and foreign nationalities.

Apple Care Co., Ltd. which provides in-home care support, home-visit care, and day care services, opened AppLife Kashiihama in April of this year in the first floor area of "Ju-life Aqua Villa Kashiihama" (Kashiihama, Higashi-ku, Fukuoka City,) a serviced senior residence operated by Shinoken Wellness.

For residents using this day service can now receive services in the same facility, whereas previously they had to be driven to and from a different location by car. In addition to the large bath facility for residents, a new bath (private room) dedicated to day service has also been established to provide a more fulfilling service environment.

Also, Luminous Co., Ltd. which provides after-school daycare services and vocational support services for people with disabilities, has had its application for an additional class added to Kids Life Higashi Fukuoka (Kasuya-cho, Kasuya-gun, Fukuoka Prefecture) approved by Fukuoka Prefecture, and as of May 1, the maximum number of students has been increased from 10 to 20 (additional class.) In line with this, the space previously occupied only on the second floor has been expanded to the first floor, creating an environment conducive to the increased number of applicants and allowing them to use the facility in a relaxed and spacious manner.
